ITEM #1

ORDERED THAT the Public Safety Committee meet based on a request by unanimous vote of the School Committee for the urgency of a crosswalk on Montgomery Street near the AMVETS Post 12 and McKinstry Gardens.

Steve Frederick stated that the location of the proposed crosswalk is inappropriate because it will lead from driveway to driveway. He presented the committee with his proposed location of the sidewalk. He also stated that the crosswalk has to be handicap accessible.

Marjorie Wojcik stated that a Crossing Guard is being sought for this location.

The current temporary parking at AMVETS is only until June until the old CCHS is demolished and a new parking lot is created.

Committee recommends that a temporary crosswalk be installed ASAP.

Committee vote: 5 – 0 favorable.
